

# ChiroSymposium

**ChiroSymposium Virtual Summit July 18-19**

## **FREE Live Sessions!**

Join us from the comfort and safety of the computer or smart device of your choice, for a weekend of practice building and inspiration. We'll be bringing you two days of learning with the top experts in the profession with simultaneous video and live chat functions. You'll be able to engage with our presenters as well as your fellow attendees at this virtual event. It's all the fun, learning, and sense of community of an in-person seminar without any of the usual travel required to attend.
