Offering a Safer Environment...  
Where "Sick" People ***DON'T*** Go.

Our clinics generally do not treat "sick" people, reducing the chance of exposure to COVID-19. Our medical examiners help minimize interruption of your operations by keeping your drivers on the road while maintaining safety and creating a Safe Harbor for Motor Carriers.

**Pay the Same Price per Exam Nationally!** Get a single bill for all services performed monthly. [Contact TeamCME for Details.](#)

TeamCME is the **largest nationwide network** of DOT Medical Examiners providing DOT Physical Exams, alcohol & drug testing and other transportation-related services.

## Our Services are Cost-Effective and Convenient

Our services can be tailored to your needs. Use only clinics located near you, or any clinic in the nation. Options include having the driver pay the clinic, or to receive a monthly bill for all of your driver's medical exams.

Be a part of our **nationwide TeamCME consortium** or choose to be in your own. Use our national network of DOT Urine Specimen Collectors & Breath Alcohol Technicians. Receive testing results electronically.
