

# Texas Now Permits Chiropractors to Perform FAA BasicMed Exams.

The BasicMed program allows most "General Aviation" pilots to obtain a BasicMed exam in lieu of a 3rd Class Airman Medical Certificate.

Perform the BasicMed exam for Flight Instructors, Flight Students, Recreational and Private Pilots.

---

To learn the regulations, procedures, forms and requirements, we have created a 2-hour training course.

**FREE** for TeamCME members!

Simply login to the TeamCME Member Center and click on the "TRAINING VIDEOS" link. Then scroll down to "FAA BasicMed Exam".
